RESPONSE TO US PATENT OFFICE COMMUNICATION

Sir:

In response to the Patent Office communication mailed January 26, 2005, Applicants enclose a complete listing of all claims. Applicants understand from the Notice that there is ambiguity about claims 1 – 16. Applicants mean to cancel claims 1 – 16.

It is Applicants' understanding that Applicants need only submit the corrected section of the non-compliant amendment. Applicants are therefore submitting the entire "Amendments to the Claims" section but are not resubmitting the rest of the response.
